

# Presenting the 7<sup>th</sup> Annual Simplify Consulting Charity Golf Day

**Sponsored by Rodford Engineering  
And in aid of the Dorset Children's Foundation and the Rainbow Trust**

## 2021 Sponsorship Opportunities

# Sponsorship Packages

Each year our charity golf day generates a huge amount of money for our chosen charities, thanks to the generosity of over 150 golfers and the support of local businesses of all shapes and sizes. Sponsoring the Simplify Consulting Charity Golf Day provides fantastic exposure for your business and contributes towards helping children with illness and disability across the region. Without your support the golf day wouldn't be the success it has quickly become. Every penny raised from sponsorship goes directly to the charities.

We have a range of sponsorship packages to suit your budget and work with you to promote your business before, during and after the day. If you'd like to discuss any of our packages in more detail, please don't hesitate to contact us. We're so grateful for your generosity and look forward to seeing you on the day.
